45 minute lessons are recommended for swimmers age 8+ who are working on learning the strokes or improving their technique.

60 MINUTE LESSON = \$68

NEW - 15 MINUTE LESSON = \$20

This is designed for children age 3 who are learning the basics. We work on putting their face in, kicking, jumping/kicking from the stairs, and moving their arms. This lesson is kept to 15 minutes due to the face to face contact required between instructor and swimmer.

NON-MEMBER FEE

There is an additional fee of \$10 per child per lesson for non-members. Credit card information must be on file to secure lesson times. If no card is on file, lessons may be cancelled. An email with a credit card authorization form will be sent within 3 business days of booking your first lesson.

COVID-19 SAFETY INFORMATION

All LCFCC instructors are fully vaccinated. Whenever possible, instruction is provided from the pool deck to reduce face to face contact between instructor and swimmer. In accordance with current CDC guidelines and recommendations, instructors are not required to wear masks in the water, however if your child requires an instructor in the water and you would like the instructor to wear a mask, please let us know at time of booking so that we can make a note on your child's profile.

We do not form groups or pairs for semi-private lessons and ask that you form a pair or group with a family member or friend prior to booking.
